Sub.: **Soft Skills Development-cum- Career Counselling for your students.**

Sir,

Our institute, BIITM, is a leading B-School in the state and has been offering two-year MBA programme for the last 18 years. It is affiliated to Biju Patnaik University of Technology (BPUT), Odisha and approved by AICTE, Ministry of HRD, Govt. of India. Our Institute is conducting Soft Skills Development Programme-cum-Career Counseling as part of our Corporate Social Responsibility (CSR) for the last 5 years.

Young minds need proper guidance for their future growth for which they need to be motivated to enhance their **soft skills** apart from the **knowledge** of subjects taught in their classes. Also they need **career counseling** during their graduation, which may help them in choosing the right career path and enhance the scope for employment.

For your information, we have already conducted such programmes in many degree colleges, and the programme has been highly appreciated because students are enlightened about their choice of the right career and need for soft skills development through this programme.

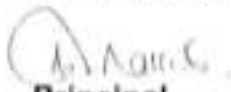

Hence we request you to give a suitable date and time to us along with number of students in final year degree course so that we can send our professional team with audio-visual equipments to conduct **Soft Skills Development Programme-cum-Career Counseling** of about 90 minutes' duration for your **+3 final year** students in your college premises. You may mail your consent to us in mail biitmbbsr@yahoo.com.

We will appreciate, if some of your faculty members remain present during the programme to coordinate and guide the students.

We look forward to a favourable response from you at an early date.

Thanking you
