Letter No. 558 Com

Date. 27/09/2023.

To

The Principal  
Dharanidhar College & University.

Sub: Request to conduct a Cyber Safety awareness Campaign in your institution.

Sir,

We extend our warm greetings to you and your esteemed institution. We would like to bring to your attention the alarming increase in cybercrimes, not only in India but also in Odisha. A staggering 60% of the Cybercrime cases registered in recent times are related to financial fraud. This concerning trend can be largely attributed to a lack of awareness in our society about various forms of cybercrimes and the necessary safety measures.

In light of this pressing issue, the Government of Odisha has taken a proactive stance. Odisha Police is set to launch a comprehensive statewide cyber safety campaign. The primary objective of this campaign is to enhance awareness about cybercrimes across different segments of society. As part of this initiative, the District Police has decided to organize a Cyber Safety awareness Campaign followed by a quiz competition in your institution. This competition aims to sensitize students to the importance of cyber safety.

It is requested you circulate this message among students and encourage them to participate enthusiastically in the Cyber safety workshop. Their active involvement will contribute significantly to the success of this awareness campaign.

On our part, **Shri Ambit Mohanty, OPS, Dy. S.P Hdqrs, Keonjhar (Mob No.-9776704611)** will oversee the coordination of the event, and the prizes will be awarded to the winning contestants shortly after the quiz contest. The Cyber safety awareness campaign is
